

Certificate of Achievement

This is to certify that Tom Tester has viewed 48 articles / information feeds (related to the offshore finance industry) and recorded 2 hour(s) and 10 minute(s) of CDP in the CDP Tracker during the period 1st September 2008 and 1st September 2009 whilst in the employment of NW Consulting.

This Certificate of Achievement was printed on the 3rd September 2009 and confirms Tom Tester agrees that the holder may view a full breakdown of articles / information feeds that he/she has viewed via the trusted third-party Offshore Announcements service.

Certificate Reference: ??????????????

The above Certificate Reference can be used to validate and obtain a complete list of articles / information feeds that the named person has viewed using the Offshore Announcements service.

To validate the certificate holders claims you may visit the Offshore Announcements website at www.OffshoreAnnouncements.com and select the Validation option from the menu. You will be asked to enter the above Certificate Reference and will then be shown all articles / information feeds viewed for the named person.

Offshore Announcements is a service provided by NW Consulting, Jersey.
